

JAMES E. "JIM" LANFRIED

November 30, 1943 - December 2, 2008

Brother Jim Lanfried was called home to be with the Lord on December 2, 2008. He was born in Wellsburg, West Virginia and lived in Port St. Lucie for twenty years. He was a Navy Veteran and a boilmaker in the construction industry. He attended services regularly and was loved by many at First Baptist Church of White City.

Though we know Heaven rejoiced to welcome him home, we will dearly miss this brother. We look forward to seeing him again.
