## October 2008

### SCHOOL MINISTRY ENDS FOR US!

One of the main goals for our involvement in the school ministry was the Salvation of the children and their families. In the time that Maggie and I have been directly involved in this ministry, we have seen 23 children accept the Lord as Savior. We have been praying for several months and God has burdened our hearts with the need to move on from the school ministry and focus on the pastoral side of our missionary ministry. Even though the school is a very worthy ministry, it was actually hindering us from what the Lord has wanted us to do. The Lord has always blessed our efforts to serve Him, but we feel that it is time for someone else to take over the leadership of Village Green Christian School and take it to the next level.

### STUDENTS PRAY DURING INVITATION

### SPANISH AND ENGLISH SERVICES

As we have mentioned in previous reports, our church has struggled with finances and attendance for a long time. Brother Tommy and I have worked very hard to try to increase the attendance but our efforts have not worked. Our church is in the process of making very serious decisions, even considering the sale of the property and school, and relocating to a smaller building in the area. For this reason, Brother Tommy has typed the attached letter to our sister churches explaining our need to seek for a new sponsoring church. Please pray for us and for our church at this time of decisions and change. If you would like us to visit your church and present our ministry and future plans, please let us know so that we can schedule a visit.

### PRAYER REQUESTS

- Financial needs of Village Green MBC
- Wisdom in the decision making
- New sponsoring church
- Our regular monthly support
- More souls to be saved
- Safety on the road as we travel

*Again, thank you all for your faithful prayers and support.*
