I received a teaching diploma from Florida Baptist Institute and Seminary, Inc. in 1975. I have held various offices and teaching positions. I have been a part of the ministry work, seeing many souls saved.

Personal Goals

My goals are to continue to see people saved, help God's people grow spiritually and to think spiritually.

Marge Sorrell - Personal Testimony

I began my personal relationship with the Lord on February 5, 1989 in my backyard. I can assure you that life has never been the same. My favorite scripture verse is Matthew 6:33. I am so excited to be serving the Lord through one of His churches. I am eternally grateful that the Lord has used me to lead other's to Christ. May I forever be a willing vessel for the cause of Christ!

Personal Goals

My goal is to continually be willing to do whatever the Lord tells me to do and to follow His instructions, no matter what. I would like to see the church grow spiritually which will lead to other areas of growth. The main goal is to keep leading others to Christ, teaching them, and keeping my eyes on God.
